Bavaria Cruiser 55/56 - Sailing Yacht Charter

Introduction

Welcome on our sailing boat "Eternity".

We are the Demirel family: Angela "Angie", Abdullah "Apo" and our 3 children.

Apo is our captain on board and also in the family. As a captain, with 25 years' experience, he mainly worked in Turkey, but also in Greece, Italy, Corsica, Monte Negro and Croatia.

Angie, who is German, supports her husband and takes care of their 3 children.

We love to live in Kemer, because we enjoy the sea as well as the mountains and it has the best climate in all Turkey.

We invite you to enjoy with us Kemer's natural beauty, historical treasures and the nice weather.

Why sailing with Eternity?

Eternity is suitable for individual trips. You can plan your sailing destinations and duration yourself.

You can choose historical places and combine sailing with hiking. For instance you can hike on the famous 500 km (311 miles) Lycian Way from Antalya to Fethiye. We can follow you with the boat and pick you up, wherever you want to.

Depending on your choice, you can cook yourself, we can cook for you, or we can take you to nice restaurants, where you can try the Turkish cuisine.

We are flexible, open for special wishes and we help you with your preparations for your holiday (information, shopping and transfer).
